Web-based GCM Trainings

Congratulations Graduates!

Our inaugural web-based training class graduated today! It's thrilling to meet our students and learn about their exciting and important projects. We are so proud to send them out into the world with all the tools they need for exemplary GCM projects!

Next Courses

CSI is teaching two more courses in June, one for a multi-country European team, and one for US-based trainees. **Join our course starting June 16th, only 2 seats left! Call today.**

Like the training for our colleagues in Europe, we can conduct a group training for you and your team.

Registration is now open for our course starting in September.
